Code of Conduct

1 Background

The GARDA Capital Group operates as an integrated real estate and funds management business. The Company is the ultimate holding company of the GARDA Capital Group.

The Company, and other members of the GARDA Capital Group may, from time to time, act as the responsible entity of one or more Funds.

Unless the context requires otherwise, this Code of Conduct applies to the Company and each member of GARDA Capital Group, both in their personal capacity and (if applicable) in their capacity as responsible entity of a Fund. For the avoidance of doubt:

- a. any reference to 'GARDA Capital Group' will include a reference to a Fund, if the case requires;
- b. any reference to 'Securities' means the securities of any member of the GARDA Capital Group or of a Fund; and
- c. this Code of Conduct shall cease to apply to a particular Fund if the GARDA Capital Group ceases to be the manager or operator of that Fund.

2 Purpose and application

2.1 Purpose of this Code

The GARDA Capital Group is committed to and strive to act honestly and with integrity in all its dealings and to act ethically and responsibly. This Code of Conduct sets out the values, commitments, ethical standards and policies of the GARDA Capital Group and outlines the standards of conduct expected of our business and people, taking into account the GARDA Capital Group's legal and other obligations to its stakeholders, controlled entities and the Funds.

The Board has endorsed this Code. The Board and management believe that the GARDA Capital Group's commitment to this Code will maintain the confidence of the GARDA Capital Group's key stakeholders in the group's integrity.

2.2 Application of this Code

This Code applies to all directors of the Board, as well as all officers, employees, **consultants** and other persons that act on behalf of the GARDA Capital Group or a Fund. It also applies to suppliers and other key stakeholders, as notified.

You are expected at all times to act consistently with the values, commitments and ethical standards as set out in this Code of Conduct. This Code operates in conjunction with the GARDA Capital Group policies and procedures relating to you.

It is essential that each of you are familiar with this Code, which is available on the GARDA Capital Group's website. Naturally, this Code cannot cover every circumstance that you may face nor can it address every law, regulation or GARDA Capital Group policy that may apply to you. You are encouraged to obtain copies of the policies, standards and procedures relevant to your work. If you have any questions about your obligations or about the GARDA Capital Group's expectations, please speak with your manager or the Company Secretary.

3 Our values and commitments

3.1 Core values and commitments

the GARDA Capital Group's core values and commitments are:

- **Integrity** – We act honestly, fairly and with integrity in all our dealings, both internally and externally. We commit to only dealing with business partners who demonstrate similar ethical and responsible business practices.
- **Respect** – We respect the human rights of all people, their ideas and cultures and our words and actions must reflect this respect.
- **Safety** – We are committed to providing and maintaining a safe and non-discriminatory working environment to safeguard the health and safety of our employees, consultants, contractors, customers, suppliers and other persons who visit our workplace, or who we work with, as required by law.
- **Community Standards** – We act in a manner consistent with reasonable expectations of our Security holders and the broader community.
- **Environment** – We are committed to act responsibly towards the environment.

4 Our ethical standards and policies

4.1 Conflicts of interest

A conflict of interest occurs if your loyalties are divided, for example if you or your family or friends have a personal or commercial interest which may interfere, or be perceived to interfere, with the performance of your duties and responsibilities to the GARDA Capital Group, making it difficult to perform your role objectively and effectively. The existence of a conflict of interest is not uncommon. What matters is how we manage the conflict.

You must act in the best interests of the GARDA Capital Group and each Fund (as applicable). To safeguard the confidence of the GARDA Capital Group's key stakeholders and controlled entities in the group's integrity, it is paramount that you do not allow personal interests or the interests of family or friends to conflict with the interests of any member of the GARDA Capital Group. You must avoid participating in decisions and activities which may conflict, or be perceived to conflict, with your duties and responsibilities to the GARDA Capital Group and each Fund (as applicable).

You must not enter into any arrangement or participate in any activity that would conflict with the GARDA Capital Group's or a Fund's best interests or would be likely to negatively affect the GARDA Capital Group's reputation.

You must not be involved in any other company or business or organisation as director, agent, employee or consultant, whether paid or unpaid, if there is a possibility that your personal interests could conflict, or be perceived to conflict, with those of the GARDA Capital Group or a Fund unless you obtain approval first from the Managing Director or the Company Secretary or the Board (if you are a director).

If you are involved in a conflict or possible conflict, or become aware of a conflict, you must tell the Managing Director, the Company Secretary or the General Counsel, or (if you are a director) the Board as soon as possible.

4.2 Opportunities, benefits and ownership of work

You must not use the GARDA Capital Group or any Fund or customer property (including intellectual property), or information, your position or opportunities which arise from these to improperly gain benefit for yourself or for another party or to cause detriment to the GARDA Capital Group, any Fund or their customers.

You have an obligation to avoid all financial, business and other arrangements which may be opposed to the interests of the GARDA Capital Group, or which may place you in a competitive position with any member of the GARDA Capital Group.

The product of any work performed while you are with the GARDA Capital Group, or on behalf of the GARDA Capital Group, or using the GARDA Capital Group or any Fund property (including all intellectual property rights created in connection with that work) belongs to the GARDA Capital Group.

4.3 Anti-bribery and gifts

A number of countries, including Australia, have strict laws against bribery and corruption. The anti-bribery laws of some countries including Australia, the United States and United Kingdom can apply to things done in other countries (ie wide-reaching extra-territorial effect). We must comply with and uphold all laws against bribery, corruption and related conduct applying to the GARDA Capital Group in all jurisdictions where the GARDA Capital Group or any Fund operates.

Accordingly, the GARDA Capital Group has a strict policy not to offer secret commissions or bribes to further its business interests. Depending on the circumstances, facilitation payments may breach anti-bribery laws.

Naturally, you must not accept any money or opportunity or other benefit which could be interpreted as an inducement, secret commission or bribe. Care must be exercised in accepting hospitality, entertainment or gifts over and above that required for the normal conduct of business or which may compromise your impartiality.

We are committed to adopting effective systems to counter bribery and related improper conduct and to monitoring and enforcing these systems. From time to time, we may issue further guidance regarding what is acceptable in the normal course, what you can do with senior manager or Board approval and what is prohibited.

You may also seek further information or clarification from the Company Secretary, General Counsel, the Board (if you are a director) or other relevant advisor.

4.4 Dealings with politicians and government officials

All dealings with politicians and government officials which relate to the GARDA Capital Group, the Funds and their business activities must be conducted at arm's length and with the utmost professionalism, to avoid any perception of attempts to gain advantage or to improperly influence the outcome of an official decision.

You must not make any donation or other financial contribution to any political party or candidate for an election or sponsor any organisations (other than in a purely personal capacity) without seeking and obtaining prior approval from the Company Secretary.

4.5 Confidentiality

In the course of the GARDA Capital Group's business, you will have access to business or personal information about the affairs of the GARDA Capital Group, the Funds, their respective Security holder, clients, customers, employees, suppliers and business partners. It may include business strategies, marketing and sales plans, competitive analysis, financial plans and forecasts, customer or employee information, supplier information and pricing. Each of the parties expects the confidential nature of the information they have given in good faith to be respected.

You must keep confidential information acquired while you are with the GARDA Capital Group, or acting on behalf of the GARDA Capital Group or any Fund, confidential, even after you leave or cease your engagement with the GARDA Capital Group.

You must not access or request or make improper use of or transfer or disclose confidential information to anyone else except as required by your position or as authorised or legally required. If it inadvertently comes into your possession it should be returned immediately.

If you are required by an authority or judicial process to provide confidential information which has not been otherwise authorised, you must notify the Company Secretary.

4.6 Privacy

You must respect and safeguard the privacy of personal information held by the GARDA Capital Group or any Fund regarding their respective Security holders, clients, customers, suppliers, employees and others. If you have access to this information, you must ensure that it is collected, kept, disclosed, handled and used in a manner that complies with the *Privacy Act 1998* (Cth), Australian Privacy Principles any other privacy and data protection laws that may apply and the GARDA Capital Group policy on privacy. You must comply with the laws and regulations that apply to the GARDA Capital Group, the Funds and their respective operations.

The GARDA Capital Group officers have additional due diligence health and safety obligations which they must comply with. For further information, see your manager, human resources or the General Counsel.

The use of alcohol and drugs may impair performance at work, have an adverse impact on productivity, and can pose a risk to health and safety. To assist with ensuring the safety of our workplace, the consumption of alcohol, and the use of any prescription drugs which may impair a person's ability to perform their work, or which pose a risk to their or others' health and safety, must be strictly in accordance with applicable GARDA Capital Group policies.

You must not knowingly participate in any illegal or unethical activity. The GARDA Capital Group will not tolerate the use of illegal drugs or improperly used prescription medicine, or alcohol (except for moderate consumption at social events) on the GARDA Capital Group's premises or when performing work for the GARDA Capital Group, travelling on behalf of the GARDA Capital Group, attending work related functions or activities or conducting business on behalf of the GARDA Capital Group or any Fund. The possession, use, sale or offering or distribution of illegal drugs or other controlled substances on the GARDA Capital Group's premises or while performing work for the GARDA Capital Group, conducting business or travelling on behalf of the GARDA Capital Group or any Fund or at work related functions or activities is forbidden.

It is important that we work together to create a safe and healthy workplace. If you know of or suspect any unsafe situations or conditions, please alert your manager or supervisor immediately.

4.10 Protection of and use of the GARDA Capital Group's assets and property

You must protect the GARDA Capital Group's and each Fund's assets and property (including intellectual property) and ensure that the GARDA Capital Group's and each Fund's assets and property are used only for the benefit of the GARDA Capital Group's or the relevant Fund's business (as applicable). You must report any suspected or actual theft or fraud to the Managing Director or the Company Secretary or any other contact nominated by the GARDA Capital Group.

You must not use the GARDA Capital Group's or any Fund's assets or property for personal purposes except in accordance with any GARDA Capital Group policy or approved arrangement.
